

Create Layout Map

Create Layout Map for printing

: Select View window and select menu view and layout

The screenshot shows the ArcView GIS interface. The 'View' menu is open, and the 'Layout...' option is highlighted with a red circle and the number 3. The 'View1' window is selected with a green box and the number 1. The map displays a geographical area with bar charts overlaid on various regions. The legend indicates two categories: 'Case' (blue) and 'Pf' (pink). A table at the bottom left lists polygon IDs and names.

Polygon	ID	Name
Polygon	03	Kampong Cham
Polygon	04	Kampong Chhnang
Polygon	05	Kampong Spueu
Polygon	06	Kampong Thum
Polygon	07	Kampot
Polygon	08	Kandal
Polygon	09	Kaoh Kong
Polygon	10	Kracheh

Create Layout to print

: Select Landscape in Template Manager for layout

The screenshot shows the ArcView GIS interface. The Template Manager dialog box is open, with the 'Landscape' template selected and circled in red. A green box with the number '1' is next to the 'Landscape' icon, and another green box with the number '2' is next to the 'OK' button. The main map window shows a map of Cambodia with bar charts overlaid on each province. The 'Attributes of Camb_prov.shp' table is visible at the bottom left.

Shape	Provcode	Provname
Polygon	01	Banteay Mean Chey
Polygon	02	Bat Dambang
Polygon	03	Kampong Cham
Polygon	04	Kampong Chhnang
Polygon	05	Kampong Spueu
Polygon	06	Kampong Thum
Polygon	07	Kampot
Polygon	08	Kandal
Polygon	09	Kaoh Kong
Polygon	10	Kracheh

Create Layout to print

: Double click View1 change to "Malaria Cambodia 1999"

The screenshot shows the ArcView GIS Version 3.1 interface. The main window is titled 'Layout1' and contains a map of Cambodia. A text box is overlaid on the map, containing the text 'View1'. A red circle highlights the text box, and a green circle highlights the text 'View1'. A 'Text Properties (GraphicText1)' dialog box is open, showing the text 'Malaria Cambodia 1999' in the text field. The dialog box has the following settings: Horizontal Alignment: Left; Vertical Spacing: 1.0 lines; Rotation Angle: 0 degrees; Scale Text with View: checked. The 'OK' button is highlighted. The map shows a legend for 'Camb_prov.shp' with 'Case' in blue and 'Pf' in pink. A north arrow is also present. The status bar at the bottom shows: Origin: (4.98, 6.93) in Extent: (1.74, 0.70) in Area: 1.21 sq in.
